**REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

TO: THE HONORABLE ALAN D ALBRIGHT,
UNITED STATES DISTRICT JUDGE

The undersigned submits this Report and Recommendation to the district judge pursuant to 28 U.S.C. § 636(b) and Rule 1 of Appendix C of the Local Court Rules of the United States District Court for the Western District of Texas, Local Rules for the Assignment of Duties to United States Magistrate Judges. Before the Court is the petition of the United States Probation Office recommending the revocation of the defendant's term of supervision. The district judge referred the matter to the undersigned for the preparation of a report and recommendation.

I. PROCEDURAL BACKGROUND

The defendant was found guilty of Count One: Possession with Intent to Distribute Cocaine Base; Aiding and Abetting, in violation of 21 U.S.C. § 841 (a)(1), 21 U.S.C. § 841 (b)(1)(iii) and 18 U.S.C. § 2. The Court sentenced the defendant to 137 months imprisonment, followed by a five-year term of supervised release, reduced to 132 months imprisonment; a \$400 special assessment; and a \$2,000 fine. The defendant began his supervision on July 29, 2022. On March 10, 2025, the United States Probation Office filed a Petition for Warrant or Summons for

Offender Under Supervision, alleging the defendant violated the terms of his release and seeking a show-cause hearing as to why the defendant's supervised release should not be revoked. The petition alleges the defendant violated the terms of his release in the following instances:

Violation Number 1: The defendant violated mandatory condition number 1, in that, on or about March 8, 2025, in Bell County, Texas, the defendant was intoxicated while operating a motor vehicle in a public place in violation of TPC 49.04, a Class A Misdemeanor.

Violation Number 2: The defendant violated mandatory condition number 1, in that, on or about March 8, 2025, in Bell County, Texas, the defendant possessed a usable amount of marijuana in violation of Texas Health & Safety Code 481.121(b)(3).

II. FINDINGS OF THE COURT

At the hearing, the defendant pleaded true to the violations. The government presented evidence that would support a finding of true, by a preponderance of the evidence, as to those violations.

- 1) The defendant violated the conditions of his supervision as alleged in the petition.
- 2) The defendant was competent to make the decision to enter a plea to the allegations.
- 3) The defendant had both a factual and rational understanding of the proceedings against him.
- 4) The defendant did not suffer from any physical or mental impairment that would affect his ability to fully understand the charges against him or the consequences of his plea.
- 5) The defendant has not had any injury that would affect his judgment in entering a plea or that would affect his understanding of the basis, consequences, or effect of his plea.
- 6) The defendant was sane and mentally competent to stand trial for these proceedings.
- 7) The defendant was sane and mentally competent to assist his attorney in the preparation and conduct of his defense.

- 8) The defendant received a copy of the petition naming him, and he either read it or had it read to him.
- 9) The defendant understood the petition and the charges alleged against him and had the opportunity to discuss the petition and charges with his attorney.
- 10) The defendant understood that he had the right to present evidence and to cross-examine witnesses at the hearing.
- 11) The defendant freely, intelligently, and voluntarily entered his plea to the allegations.
- 12) The defendant understood his statutory and constitutional rights and desired to waive them.

III. RECOMMENDATION

The undersigned has carefully considered all the arguments and evidence presented by the parties and **RECOMMENDS** that the defendant's supervised release be continued. The defendant should receive substance abuse treatment as determined by the U.S. Probation Officer as an additional condition.

IV. WARNINGS

The parties may file objections to this Report and Recommendation. A party filing objections must specifically identify those findings or recommendations to which objections are being made. The district court need not consider frivolous, conclusive, or general objections. *See Battles v. United States Parole Comm'n*, 834 F.2d 419, 421 (5th Cir. 1987).

A party's failure to file written objections to the proposed findings and recommendations contained in this Report within fourteen (14) days after the party is served with a copy of the Report shall bar that party from de novo review by the district judge of the proposed findings and recommendations in the Report and, except upon grounds of plain error, shall bar the party from

appellate review of unobjected-to proposed factual findings and legal conclusions accepted by the district judge. *See* 28 U.S.C. 636(b)(1)(C); *Thomas v. Arn*, 474 U.S. 140, 150-53 (1985); *Douglass v. United Services Automobile Association*, 79 F.3d 1415, 1428-29 (5th Cir. 1996) (en banc).

SIGNED this 26th day of March 2025.
